

Accessibility Improvement

Very low income homeowners **AND** tenants with disabilities may be eligible for assistance with the removal of architectural barriers.

Eligible Work

- ◆ Ramps
- ◆ Doorway modification
- ◆ Grab-bars / handrails
- ◆ Barrier removal
- ◆ Installation of lever hardware
- ◆ Accessible pathways

Emergency Home Repair

The City of Eugene has deferred loans and grants up to \$5,000 for emergency repair.

Help is available for very low-income homeowners to correct conditions that create an immediate threat to the health and safety of the occupants.

Eligible Work

- ◆ Failure of electrical, plumbing, sewer, or heating system.
- ◆ Leaking roof.
- ◆ Broken or inoperable doors or windows.
- ◆ Basic home security measures.

Applicant Eligibility

- ◆ The home must be within the Eugene city limits.
- ◆ The home must be the applicant's primary residence, and currently occupied by the applicant.
- ◆ Tax-assessed value of the home must be less than **\$205,200**.
- ◆ Proposed repairs must be eligible work.
- ◆ Household income cannot exceed that shown in the chart below.

Household Income

Household income for the Emergency Repair and Accessibility Improvement programs cannot exceed the amount for corresponding household size, listed here.
